## Careers

When you grow up, you will most likely need a job so you can have **money** to buy things. There are jobs you can get without going to college, and there are **jobs** that you need to go to college to get. Jobs that you spend years in and grow in are called **careers**. One example of a career is a **doctor**. In order to become a doctor, you need many years of **college** to learn about the human body and how to treat people.

**Task: Identify the picture of the person who has a career as a doctor.**

(Teacher choose one)  
SUGGESTED CUE/S:

“Who is the doctor?”

“Show me the person who has a career as a doctor.”
