## Our computer room.

### 1. Listen and read.

At our school we've got a big computer room. We've got 12 computers in the room, one for every pupil. The computers have got headphones, so the pupils can listen and speak.

In the computer room, the pupils can study English, music, maths and science. They do art here too. They can draw and colour pictures with the computer. The computers also help the pupils to read and write.

In Primary 2, the children come to the computer room every Tuesday and Thursday. Everyone likes these lessons.
