Subject: Integrated Studies

Instructions: Reade all questions carefully then select the best answers.

**YOU GOT
THIS**

Read the following poem and answer questions 1 – 4

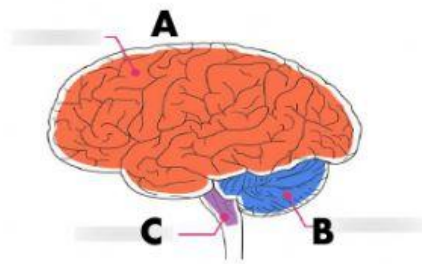

**I have a wonderful body
That has many important parts,
Some parts are on the outside,
Some are on the inside.**

**The eyes, the ears and nose
Everyone knows
They make us see, hear and smell!
The brain, bones and heart,
Exactly where in the body they are,
I really cannot say!
But wait, I'll soon find out!**
