

Serie Numérica de 2 en 2

Serie 1

2 4 6

12 22

This worksheet is titled "Serie Numérica de 2 en 2" (Numerical Series of 2 by 2). It contains a section labeled "Serie 1" enclosed in a dotted rectangular border. Inside this border, there is a train engine icon on the left, followed by five empty coal cars. The first three coal cars are pre-filled with the numbers 2, 4, and 6, respectively. Below this row, there is another row of six coal cars. The first car in this row contains the number 12, and the last car contains the number 22. The remaining four cars in this row are empty, intended for the student to complete the numerical sequence by adding 2 to the previous number.
