**Read the Lyrics and complete with the correct form of the verbs. INFINITIVE, PAST, PARTICIPLE.**

Now and then I think of when we \_\_\_\_\_ (be) together  
Like when you said you \_\_\_\_\_ (feel) so happy you could die  
\_\_\_\_\_ (tell) myself that you were right for me  
But felt so lonely in your company  
But that \_\_\_\_\_ (be) love and it's an ache I still remember

You can get addicted to a certain kind of sadness  
Like resignation to the end, always the end  
So when we \_\_\_\_\_ (find) that we could not make sense  
Well, you \_\_\_\_\_ (said) that we would still be friends  
But I'll admit that I was glad it was over

But you \_\_\_\_\_ (not have) to cut me off  
Make out like it never happened and that we were nothing  
And I don't even need your love  
But you treat me like a stranger and that feels so rough  
No, you didn't have to stoop so low  
Have your friends collect your records  
And then change your number  
I guess that I don't need that though  
Now you're just somebody that I used to \_\_\_\_\_ (know)  
Now you're just somebody that I used to know  
Now you're just somebody that I used to know

Now and then, I think of all the times you screwed me over  
But had me believing it was always something that I had \_\_\_\_\_ (do)  
But I don't want to \_\_\_\_\_ (live) that way  
Reading into every word you say  
You \_\_\_\_\_ (say) that you could let it go  
And I wouldn't catch, you hung up on  
Somebody that you \_\_\_\_\_ (use) to know

But you didn't have to \_\_\_\_\_ (cut) me off  
Make out like it never happened and that we were nothing  
And I don't even need your love  
But you treat me like a stranger and that feels so rough  
And you didn't have to stoop so low  
Have your friends collect your records  
And then change your number  
I guess that I don't need that though  
Now you're just somebody that I used to know  
Somebody (I used to know)  
Somebody (Now you're just somebody that I used to know)  
Somebody (I used to know)  
Somebody (Now you're just somebody that I used to know)  
Somebody
