10. Read this email about Clare's recent holiday in Prague.

Hi Rachel,

How are you? I went to Prague for a week and came back **five** days ago. I had a really brilliant time, and I stayed with my Czech friend, Jana. We met **last** year when we studied at the same school in London.

She lives in a new house near the airport, so we took the tram to the city centre every day, and then we walked around because most of the sights are in the centre. There's an amazing **museum**. That was very interesting. We saw lots of old houses in the Old Town, too. There were also lots of people there because it's such a beautiful city.

I was really excited, too, because we went to the new stadium to watch AC Sparta Prague play **in** a match. Jana's brother and his friend came with us. Jana and her brother love football, and it's their favourite team.

I really want to go back again because there are so many places I didn't visit and next time I **really** want to go to the zoo!

Let's meet **up** soon and I can show you my photos.

Love from
Clare
