____ / 10 points

D. Complete the text. Circle the correct answer.

A Visit to Rome

My parents and I (1) **arrived / have arrived** in Rome a few days ago and we (2) **have visited / have been visiting** lots of interesting places so far. Of course the city (3) **has changed / has been changing** a lot since it was built almost 3,000 years ago, but you can still see many buildings from earlier times. Today we're exploring a neighbourhood called Trastevere. It's very pretty here but we (4) **have walked / have been walking** around for hours and I'm getting tired. Mum and Dad like this area because it's quieter than the city centre. It's true that we (5) **haven't seen / haven't been seeing** many other tourists here. Dad (6) **has learned / has been learning** Italian for a few months and he (7) **has just had / has just been having** a chance to practice his skills in a café where he (8) **wanted / has wanted** to ask about the different flavours of ice cream!
