SKILLS TEST

Reading

I Read Helen's email about starting university. What is she mainly concerned about?

- a her image and her accommodation
- b her accommodation and her studies
- c her friends and her image
- d her studies and her friends

Hi Imre,

I'm looking forward to moving away from home next month and starting university in Leeds! Right now I'm looking for somewhere to live, hopefully near the university, although I don't mind being near the centre. I'm not keen on places near the sports stadium – it's very noisy! Will anyone want to share a flat with me? There are lots of adverts for flatmates on the university website. I've written to a few people but I haven't had any replies yet. Maybe there's somewhere else I could look?

I've promised myself a new 'look' for my new life. Most of my clothes were bought in the sales, so they aren't very fashionable. I'm going to study media, and I'll be taught by some famous journalists, so I want to look modern and stylish.

I'm going to wear lipstick and nail varnish, and I'm going to change my hair. It'll be dyed red, or maybe black! I can't stand being blonde anymore. I might even get a tattoo – I'm not sure. I like some of Pink's tattoos, but I don't know who they were designed by. I'm not keen on her piercings, though.

Most people won't know me at university, so this is a great time to be different. Rosa is going to be on my course, and she also wants a new style. She wants me to call her 'Roz', too, which might feel strange. Luckily, I like my name. Hopefully one day you'll be able to read it in a magazine! Well, if I get a good enough degree, that is. Rosa's always been better than me at studying!

Love, Helen x
