

Top 10 Things to SEE in CALIFORNIA

There are SO many things to do and see in California, partially because its got it all... mountains, deserts, the ocean, surf towns, big cities, beautiful parks, and a very eclectic mix of people. We highly recommend spending some time in the lesser known places in Cali to really get a full idea of the kinds of adventures you can create, but also you have to see the iconic touristy stuff like the Hollywood sign, Santa Monica blvd, and hit the big National Parks like Yosemite, Sequoia, and Kings Canyon.
