

Complete the text with the Present Perfect form of the verbs.

THE OLD COLONEL

I think I _____ **(have)** a very interesting life. I'm 73 now and I don't work anymore. I was in the army for 51 years. I retired when I was 69. I _____ **(go)** to so many countries that I can't remember all of them. I _____ **(go)** to Australia six or seven times and to South Africa three times. I have also been once to Russia but I didn't like it at all: much too cold for me!

They say that love is the greatest thing and I agree. I've been married four times but never for more than five years. I don't think women really understand me!

I _____ **(not be)** on television, but I've been on the radio once. It was a programme about life in the army about twenty years ago. I met the Prime Minister on the same day. Actually, I _____ **(meet)** a lot of famous people: members of the royal family, famous politicians and also famous cinema and television personalities. I _____ **(not meet)** the American President though which is a pity.

Because I _____ **(travel)** a lot, I _____ **(see)** a lot of wonderful things and _____ **(eat)** and drunk some strange foods and drinks. I ate cats and rats in India and drank something called Mirto on a little island in Italy many years ago.
