Topic

DO NOT WRITE IN THE MARGIN

Who was Squanto? (pg 2)

What did Squanto do? (pg 6)

Why was Squanto important? (pg 9)

2 Squanto was a member of the Wampanoag (wam-puh-NOH-ag) tribe. When he was young, Squanto was taken away by sailors. He learned to speak English.

6 He became a generous teacher. He taught them how to fish and plant corn. He showed them how to get ready for the long winter.

9 Squanto made it possible for the Pilgrims to live in their new home. He also helped the Wampanoag and the Pilgrims live together in peace. The Pilgrims were lucky to have met him!
