My favorite shop.

This week, Jo Greg describes her favorite shop.

My favourite shop in the world is the Caleries Lafayette in Paris. It's a long way from my home in London, but the train to Paris is very fast and you can get there in 30 minutes. The shop is huge, with ten floors and the building is very beautiful. It is a new shop and looks very modern. At Christmas, they have colored lights on the walls.

It sells everything. I go there because there are four floors of women's fashion. They have all the famous brands, which are expensive but they also have less expensive things. They have fantastic shoe shops, as well.

On my last visit, I bought a Gianfaranco Ferrre floral dress. I also got a floral jacket. They cost a lot of money! I wore them at my sister's wedding last week.
