

THE LORAX ■ QUIZZ

<https://youtu.be/FSSrYnc1yQs>

Choose the right answer

Who tells the boy about the Lorax?

The Bar-ba-loots

His father

The Once-ler

The Humming-Fish

What was the name of the trees?

Oaks

Truffula trees

Swimma-sham

Apple tree

What came out of the first tree the Once-ler chopped down?

The Lorax

The Humming Fish

The Bar-ba-loots

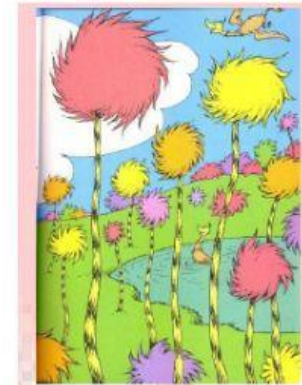

The Once-ler

What happened when the Once-ler chopped down the Truffula Tree?

A small man came out of the stump.

The tree fell on his small shop.

There was no soft tuft in the tree

What is a "Fine-Something-That-All-People-Need"?

A Sneed

A Thneed

A Sheet

What did the Once-ler knit?

Blankets

Thneeds

Jackets

Pants

Why did the Swomee-swans leave?

There was a flood

There was a fire

There was a lot of smog

There was a tornado

What is the theme of The Lorax?

We have to protect the Earth's natural resources.

We have to waste the Earth's natural resources.

How things change over time

What was one of the negative results of the trees being cut down.?

Nothing happened because people wanted the Thneeds

The man built a small shop

The animals in the forest had to leave because all of the trees were cut down

What were two ways the environment was harmed?

They cut down the trees without growing them back and they were dumping waste into the ponds.

Nothing happened. The environment was fine.

The only thing that happened was that water got a little dirty and a few trees were cut down.

What did the Once-Ler need the trees for in the story?

To make paper

To take them to his factory

To make Thneeds

What did the Lorax try to do in the story?

He was the one making the Thneeds

He did nothing

He tried to talk to the Once-ler and show him what he was doing to the animals of the forest and their homes.

What does "unless" means?

It means nothing

Unless someone like you cares, then nothing will change.

Chop down as many trees as you want.

Air pollution is no big deal.

Why did the Bar-ba-loots have to leave?

There was not enough Truffula Fruit.

They did not like Thneeds.

They could not find the Lorax.

Why couldn't the Swomee-Swans sing ?

They ate too much.

They were tired.

They had smog in their throats.

What did the Lorax do for the Humming-Fish to make sure they were safe?

He cleaned the water

He hummed for them

He sent them away

What did the Once-ler give the boy at the end of the story?

Some money

A Truffula Tree seed

A Thneed

Why did the humming-fish have to leave?

Their gills were all gummed from pollution

They forgot the words to their songs

They couldn't breathe because of smog

Who wrote the book THE LORAX?

Dr. Seuss

Dr. Dread

Dr. O

Dr. Success
