## Lesson 15.04: The Change-Up

## Printable Assessment: The Change-Up

# The Change-Up

Answer each question on perimeter and area.

1. Find the area and perimeter for each park by using the table below.

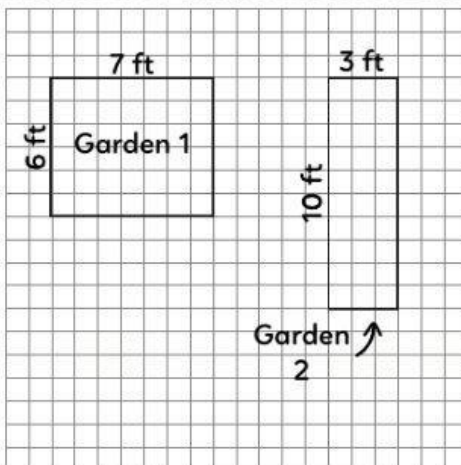

| Park | Length | Width | Perimeter | Area |
|------|--------|-------|-----------|------|
| 1    |        |       |           |      |
| 2    |        |       |           |      |

Answer the following questions on the area and perimeter of the parks.

These two parks have the same \_\_\_\_\_.

Park \_\_\_\_\_ has a smaller perimeter.

2. Find the area and perimeter of each garden.

| Garden | Length | Width | Perimeter | Area |
|--------|--------|-------|-----------|------|
| 1      |        |       |           |      |
| 2      |        |       |           |      |

Answer the following questions on the area and perimeter of the gardens.

These two gardens have the same \_\_\_\_\_.

Garden \_\_\_\_\_ has a smaller area.
