## Reading

In the city, we can do different activities. Today my family is with me in the mall. Why? Well, today is my birthday, it's a secret!

Speaking of my city, I can say that here in Bogotá you can go to many places, for example, if you go to the center of the city you could enjoy an academic moment at the library, here you find several books to Choose and expand your vocabulary in many fields.

This morning, I hope I can get home to have an amazing moment with my parents and friends for my celebration.
