

I know that's thicker than blood
That's deeper than love with my friends
..... come and some people go
And some people ride to the end
When I am blind, in my mind
I swear they be my rescue, my lifeline
I don't know what I'd do if I, if I'd survive
Myand my in my life, yeah
I know some people, they would for me
We run together, they're my
When I get up they gon' be high with me
I'll say forever my
My family
I'll say forever my
My family
I'll say forever my
