Singular and Plural Nouns – Mixed Review 2

Remember these rules!

When a noun ends in a **consonant** followed by a **y**, change the **y** to **i** and add **-es** to make the plural (party ---> parties).
When a noun ends in **s, x, ch,** or **sh**, add **-es** to make the plural (dish ---> dishes).
Irregular nouns **completely change** (goose ---> geese).
Most other nouns are made by just adding **-s** to the end of the word (dog ---> dogs).

A **singular** noun names **one** person, place, or thing.
A **plural** noun names **more than one** person, place, or thing.
