

THIS IS CHRISTMAS (WAR IS OVER) JOHN LENNON

And so is Christmas
And what have done?
Another over
And a new one just
And so this Christmas.
I hope you fun.
The near and the dear
The and the young.

Chorus

A very Christmas
And a new Year.
Let's it's a good one
Without any
And so this is Christmas
For weak and
For rich and the ones
The is so wrong
And so happy Christmas
For black and for
yellow and red ones.

Let's stop all the
War is over if you it
War is now.
