Scene 1

It is the **last week** of school. **Each student** has just picked **a piece of paper** with a name on it.

Ms. Kemp: “**Compliments** for Classmates” will be our last activity of the school year. Did everyone pick a name?

Class: Yes, Ms. Kemp.

*Students are talking to **each other**.*

Beth: So, **whose** name did you pick?

Lucy: (*smiling*) I got Boyd. I have a lot to say about him.

What about you, Beth?

Beth: (*looking worried*) Uh, I picked Peter’s name.

Lucy: Peter? Oh, no! It **won’t** be easy to find something to compliment him on.

Steve: Yeah. He doesn’t talk much and just sits at his desk **all day long**.

Beth: (*scratching her head*) Well, I’ll have to find something.
