PUNCTUATION MARKS

Find the punctuation marks and put them in the correct boxes.

The worksheet features seven empty boxes for sorting punctuation marks, each with a label at the top:

- Period**: Located at the top left, with a yellow lightning bolt icon below the label.
- Quotation marks**: Located below the Period box, with a blue squiggle icon below the label.
- Apostrophe**: Located at the bottom left, with a blue star icon below the label.
- Comma**: Located at the bottom center, with a yellow lightning bolt icon above the label.
- Question mark**: Located at the top right, with a red star icon to its right.
- Exclamation point**: Located in the middle right, with a yellow star icon below the label.
- Hyphen**: Located at the bottom right, with a blue squiggle icon above the label.

The page is decorated with various punctuation marks and colorful shapes:

- Decorative stars: Three hand-drawn stars are scattered around the title.
- Decorative shapes: Yellow lightning bolts, blue squiggles, red stars, yellow stars, and red semi-circles are scattered throughout.
- Punctuation marks: A large black question mark, a large black exclamation point, a black hyphen, a black comma, and a black period are visible. There are also pairs of double and single quotation marks at the bottom.
