Ray Kurzweil is a very popular figure in the field of science. He is a leading computer \_\_\_\_\_ who has made lots of predictions about the future of humanity. So far he has written six books about artificial intelligence, and four of them have become \_\_\_\_\_ best sellers in the USA. Ray strongly believes that soon computer intelligence will be a billion times more \_\_\_\_\_ than the human brain. However, lots of experts don't believe it and say that it is absolutely \_\_\_\_\_. Kurzweil disagrees with them and says that we are already a human-machine civilization. We already use high level technology to diagnose diseases, provide \_\_\_\_\_, and develop new technologies. Kurzweil thinks that by 2030, computers will do more \_\_\_\_\_ tasks. They will be able to understand ordinary spoken language and show emotions.

'Surfers Against Sewage' (SAS) was founded in 1990 by water sports enthusiasts in the UK. They are an environmental \_\_\_\_\_ that tries to protect the UK's oceans and beaches. They say that it may be really \_\_\_\_\_ to swim in the seas, and even sunbathe on the beaches because of the pollution. When SAS appeared, it informed people about the problem in quite an \_\_\_\_\_ way. They went to public events with their surfboards and handed out leaflets. They \_\_\_\_\_ attracted the attention of the media and people of Britain. They even managed to put pressure on the \_\_\_\_\_ to forbid dumping waste in the sea, rivers and lakes. The campaign was indeed \_\_\_\_\_. Officials agreed to spend 8.5 billion pounds on cleaning up Britain's seas and rivers.

*Shepherd's pie* started as an old English recipe. The pie gained \_\_\_\_\_ in the Middle Ages. During the reign of Elizabeth I, mince meat pie became a must-have food, probably, because it was easy to cook, \_\_\_\_\_ and tasty. Until the 16th century potatoes were \_\_\_\_\_ known as pig food. But later they were accepted as a \_\_\_\_\_ food in Europe. The *Shepherd's pie* recipe changed to include potatoes as an ingredient. And the fame of the dish doubled. Now *Shepherd's pie* is considered to be a \_\_\_\_\_ British food but similar recipes can be found in other countries, although they may have different names. In Canada, for example, a \_\_\_\_\_ in a restaurant would present it to tourists as *Chinese pie*.
