TO: Mel

FROM: Mark

Hi Mel,

My name is Mark, I'm nine years old and I live in England. My favourite toy is my new go-kart. I got it for my birthday. It's red and yellow and it's very fast. I also like my blue bike. Blue is my favourite colour. My bag is blue and my pencil case is blue, too.

My best friends are Lucy and Toby. Lucy is nine years old, too, and she is in my class at school. Saint Nicholas brought her a lot of new toys. Her favourite toy is a kite. It's purple and white. Lisa's favourite colour is purple. She's got a purple desk and a purple chair. Her bag isn't purple, it's pink. Her favourite number is five.

Toby's favourite number is also five. He is eight years old and he lives next door. His favourite toy is his bike. It isn't new, but it's very beautiful. It's green and I like it very much. Toby's favourite colour isn't green, it's orange. His bag is orange, but his pencil case isn't orange, it's black.

How old are you? What's your favourite toy? Tell me about your friends.

Best wishes,

Mark
