Final Written Exam 2020

- 1) Isabel is reading a story to her little brother. Let's read with them and choose **true or false**. (8x2=16)

"Lion's Teeth"

Today, there is a costume party in the village.

Zaki is wearing a lion costume. He is late!

A little boy is waiting for the bus with his mom. Zaki arrives at the bus stop. "When does the next bus come?" Zaki asks.

The little boy is scared. He doesn't like the lion.

"It come at nine o'clock" says the little boy.

The bus arrives. It's full of children on the way

to the costume party. There are two crocodiles, three monkeys, two tigers, a zebra, an elephant, and a giraffe on the bus.

The little boy, his mom and the lion get on. The little boy sits next to the giraffe. He doesn't want to sit next to the lion. His

teeth are too sharp.

Then, the bus stops again. A little girl gets on. "The bus is full!"

says the driver. "There is a place next to me" says the lion. The

little girl sits next to the lion. She is really scared, too. Look at his

big, white teeth!

Look! Don't be scared. "I don't have big teeth really" says Zaki.

"I'm missing two teeth!"

The little girl laughs. Everyone on the bus laughs, too!
