

Complete o “Escorregador de Números” a seguir de acordo com o que se pede, utilizando o sistema de numeração.

The maze starts at a snail at the bottom, labeled "CHEGADA". The path leads through several numbered sections:

- Section 1:** "Arredonde-me para a centena mais próxima" (Round me to the nearest hundred). Below the text is a blank line for the answer.
- Section 2:** "Acrescente metade de 100" (Add half of 100). Below the text is a blank line for the answer.
- Section 3:** "Antecessor mais uma dúzia" (Predecessor plus one dozen). Below the text is a blank line for the answer.
- Section 4:** "Dobro do número" (Double the number). Below the text is a blank line for the answer.
- Section 5:** "Adicione 5 unidades" (Add 5 units). Below the text is a blank line for the answer.
- Section 6:** "Sucessor menos o número 268" (Successor minus the number 268). Below the text is a blank line for the answer.
- Section 7:** "Acrescente 35 dezenas" (Add 35 tens). Below the text is a blank line for the answer.
- Section 8:** "Número em romanos representado por DCIX" (Number in Roman numerals represented by DCIX). Below the text is a blank line for the answer.

The maze ends at a box labeled "SAÍDA" (EXIT) at the top. The maze is decorated with illustrations of a ladybug, a bee, and a snail, each with an "iStock" watermark.
