Not everyone likes street art. \_\_\_\_\_ nobody asks owners' permission before drawing graffiti on their houses. Sometimes the drawings may be \_\_\_\_\_ and nice but sometimes messy and ugly.

What is graffiti – a form of art or vandalism? It depends on the drawing, I think. A friend of mine, John, is a street \_\_\_\_\_. He says that street art is a form of \_\_\_\_\_. A person can tell you nice or rude things, can't he? As for John, he is a really nice and \_\_\_\_\_ person.

He enjoys drawing \_\_\_\_\_ characters from animated films. When my neighbours saw his drawings, they asked him to paint some pictures on the wall of their house. Just to make it look brighter and more positive.

What is the most eco-friendly transport? I believe it's the bicycle. There are a lot of bicycles on the streets of our town and that is probably why it looks so green and \_\_\_\_\_. There are cycle lanes all over the town so using your bike to get to school or to the office is safe and convenient. \_\_\_\_\_, some people still prefer driving cars even for short distances.

They make the environment less \_\_\_\_\_. As for me, I enjoy riding my bike very much and all my friends say that I'm a good \_\_\_\_\_. Next month I'm going to take part in a regional cycling \_\_\_\_\_ and I hope to win it. I don't think I will stop riding my bicycle till I'm \_\_\_\_\_ old.

Koalas are cute animals. \_\_\_\_\_, it causes them lots of problems. There are people who want to keep the cute exotic animal as a pet which may put the koala in a really \_\_\_\_\_ situation. The problem is that the koala's diet is very specific. To stay \_\_\_\_\_ they should only eat eucalyptus leaves. The leaves need to be young and fresh, which means a person who keeps a koala should also have a lot of eucalyptus trees. Andrew Page, a \_\_\_\_\_ who has been studying koalas for years, says that it's a bad idea to keep this animal as a pet. According to him, people who try to do it usually have very little \_\_\_\_\_ about koala's lifestyle. And their ignorance can often cost the \_\_\_\_\_ animal its life.
