Name.....

Course: Adults Elementary A

Date:.....

Part 1:

A)- Reading comprehension: Read the article and decide if the statements are true or false.

The First private detective agency in the world opened in France in 1833. The first private detective was called Eugene Francois Vidocq. His life story inspired the writers Victor Hugo and Honore de Balzac. In 1850, Allan Pinkerton started National Detective Agency. This became one of the most famous detective agencies in the United States. The term “private-eye” came from the original Pinkerton company logo. Most private detectives are self-employed. Some work for detective agencies or security companies.

Manuel works as detective in Chicago. He loves his job. This afternoon, he’s flying to New York to meet a client. He’s helping her to find her father in Chicago and he’s got some new information for her. ‘This job is never boring’, he says. ‘Today I’m meeting a client in new York. Tomorrow I’m following a company director with debts in Chicago’
