

## LEVEL 22 : MAKING AN ASSESSMENT

Send an email to your teacher. In that email, you will make an assessment of your last training period. You will therefore explain how you feel about that work placement : Are you satisfied or dissatisfied ? Why ?

Say what you have done.

Say what skills you have developed.

Detail a task you've done (how, with what tools, why such tools, what for, etc...)

Express your feelings about your boss, colleagues, customers, etc...

Say if you would work for the same company again.
