

Last Christmas

Last [redacted], I gave you my heart
But the very next day you gave it away
This year, to save me from [redacted]
I'll give it to someone special

Once bitten and twice shy
I keep my distance, but you still catch my eye
[redacted] me, baby, do you recognize me?
Well, it's been a year, it doesn't surprise me

"Merry Christmas" I wrapped it up and [redacted] it
With a note saying "I love you" I meant it
Now I know what a fool I've been
But if you kissed me now, I know you'd fool me [redacted]

Last Christmas, I gave you my heart
[redacted] the very next day you gave it away
This year, to save me from tears
I'll give it to someone special

Last Christmas, I gave you my [redacted]
But the very next day you gave it away
[redacted] year, to save me from tears
I'll give it to someone special

again

But

Christmas

heart

sent

tears

Tell

This

anything
away
from
ice
save
someone
special

A crowded room and friends with tired eyes
I'm hiding from you and your soul of [redacted]
My God, I thought you were someone to rely on
Me? I guess I was a shoulder to cry on

A face on a lover with a fire in his heart
A girl under cover, but you tore her apart
Maybe this year, maybe this year
I'll give it to someone [redacted]

'Cause last Christmas, I gave you my heart
But the very next day you gave it [redacted]
This year, to save me from tears
I'll give it to [redacted] special

Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to [redacted] me from tears
I'll give it to someone special

And last Christmas
And this year
Won't be [redacted] like, anything like-

Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to save me [redacted] tears
I'll give it to someone special
