Visiting Victoria!
Tony Reed@BigTony13 – 10:43 – 16 Nov
Hi Everybody! I'm in beautiful Victoria in Canada with my family. This city is amazing! Right now, we're on a walking tour of the city. It's really interesting but it's very tiring too!

Walking tours are nice, but the double-decker bus tours are much better. You can see more of the city in a more comfortable way. Another interesting way to see the city is by plane. You can see the whole city from up there, but it is expensive.
