1. WATCH THE STORY.

PETE THE CAT SAVES CHRISTMAS!

2. PUT THE STORY IN ORDER

"First stop - the North Pole."	GOLD RELIEF 7:02 am	Santa asked Pete to deliver the toys
	In the cold winter wind he had caught a bad chill.	
Each time he delivered a holiday gift, he crossed off a name written on Santa's list.	Back at the North Pole, old Santa was waiting. THANK YOU PETE!
