Dear Tony,

I am happy that I finally have a penfriend! Let me introduce myself. My name is Val. I am thirteen years old and I live in London, the capital of England. It's a very beautiful city and I like it very much. There's so much to see and do. You can go on a boat trip on the river Thames or you can have a look at the city from the London Eye. There are a lot of beautiful bridges, but my favourite is the Tower bridge, which is near the Tower of London, where it used to be a prison a long time ago. I live in the city centre so I can go for a walk along the river.

My school is near my house so I can walk to school. Sometimes I also go by bike. I love sports, especially volleyball. I am a member of our school volleyball team and we are very good. I'm also interested in languages and I can speak French and German. My sister Beth is eleven years old and we are both students at Charles Dickens Primary School, which is named after a famous writer. Beth is very good at music. She plays the guitar in a school band Charlies and she is also one of two singers. The other one is my cousin Lisa. My best friend Bob is the leader of the Charlies. He is the keyboard player.

My mum is a music teacher, but not at our school. My dad is a cook in a restaurant near our school. Sometimes we all eat dinner there. The food is delicious. My parents both like swimming and they go to the swimming pool on Tuesdays and Fridays. My sister and I and my sister don't like swimming.

I am looking forward to your letter.

Best wishes, Val
