

IMAGINARY CREATURES

* Read the texts and match them to the pictures.

A. In Russian folklore, this creature lives in Asia near the Himalayas. It is fierce and tall (about 2 metres tall) and covered with dark hair. It is a well built, Neanderthal-like man wearing pelts(=δέρματα) .

C. The legend dates back 2,000 years. It is taller than 1.80 metres and covered in thick fur. It is half man and half ape. People have seen it more than 400 times in Asian countries. It is frightening and unpredictable.

B. It is very dangerous and huge. Its name means "wild man". It is a large, hairy, humanlike creature believed by some people to exist in the northwestern United States and western Canada. It is the tallest of all(2-4.5 metres).

D. It lives in the forests of North America. It is an ape-like creature big, savage and has the largest feet of all. It can be good-hearted or unfriendly.

* Now, write about another imaginary creature. Don't forget to use adjectives to describe its appearance and character.
