a. how often b. who c. how many

Task 4 Read the text about two lizards and answer the questions using their names:
Karma or **Dino**

Lovely Lizards

Durban Zoo in South Africa has got two great lizards. Meet Dino and Karma – they're amazing!

Karma

Karma is a baby chameleon, and she's only 10 cm long. Chameleons live in Africa and they eat insects. They're fantastic animals because they can change colour. When Karma is in a tree, her body is green, but when she's on a wall, she's grey!

Dino

Dino is a lizard from South America. He's 80 cm long and he's green. The zoo keepers call him Dino because he looks like a dinosaur. Dino can run on water because he's got really big feet. Some lizards eat insects, but Dino likes plants, fish and small animals.

Which lizard:

- | | |
|-------------------------------|--------------------------------|
| 1. is a baby? - | 4. is like a dinosaur? - |
| 2. has got big feet? - | 5. can run on water? - |
| 3. can change colour? - | 6. is very small? - |
