

**Écoute et choisis la bonne phrase en anglais qui a le sens le plus proche**

	It hurts my eyes and my head
	I am never separated from my phone
	I talk with my fingers instead :)
	It is very helpful for my school work
	Because of
	otherwise
	I need to recharge it each night
	My phone takes most of my time
	Thanks to ...
	My phone is not my master , I am !
	I can use my phone calendar for reminders
	We appreciate good conversations at dinner
	I am out of focus on my work
	I know everyone's new with a click of a finger
	I can't hear what others are saying because of it
	It is a great invention to reach out to near and far away people
	We are missing out , and time is flying !
	Typing is so easy ! it corrects me !
	everywhere
	I never miss any HW
	Instead of /in place of
	relentlessly
