5. Write the following text in negative form. writing the negative form of the verbs in red:

It was just another day at the restaurant. I went out to the back. There were cabbages, turnips, radishes. There ere not radishes, just a very hungry baby panda. There was no note. I waited for someone to come looking for you, but no one did. I brought you inside, fed you, gave you a bath, and tried to put some pants on you. And then I made a decision thet would change my life forever.
