

THE TREASURE SEEKERS

By Edith Nesbit

Let me start our story by telling you about my family. We're the Bastable children and there are six of us. Dora's 14. I'm Oswald and I'm 12, and Dicky is 11. Alice and Noel, the twins, are 10. Finally, there's little Horace Octavius, but nobody calls him that. We call him H.O. He's nearly 8.

It is about...

Family, drama, adventure and imagination.
