

# LISTENING

*You will hear five different people talking about health. For questions 1-5, choose from the list (A-F) what each person talks about. Use the letters only once. There is one extra letter which you do not need to use.*

- A      trying a new food
- B      discovering an allergy
- C      changing their diet
- D      taking tablets
- E      preparing a meal
- F      coming down with a disease
