

BRIAN ADAMS, *Christmas Time*

We all through the year / for the day to
when we could **be** together in harmony

You the time will
peace on earth for everyone / and we can **live** forever
in a world where we free
let it shine for you and me

There's something about Christmas time something about Christmas time
that you it **was** Christmas everyday

..... the joy in the children's eyes
the way that the old folks
says that Christmas will never We're all as one tonight
makes no difference if you're black or white
'cause we can together in harmony

I it's not too late / the world would **be** a better place
if we can the spirit more
than one day in the year / **send** a message loud and clear

It's the time of year when everyone's together
we'll **celebrate** here on Christmas day

when the ones you are there
you can the magic in the air –

you **know** it's everywhere

something about Christmas time
something about Christmas time (bis)
that you it **was** Christmas every day
