

Listen to the song *On the 25th of the 12th* Fill in the gaps:

On the 25th of the 12th The 25th of the 12th,

when Rudolph makes his yearly ride

Count the 25th of the 12th

when Santa will his wealth

there'll be a gift for everyone.

will be trimmed with toys

surrounded by girls and boys

With and laughing eyes,

For the 25th of the 12th is a wonderland

In itself with of sweet
surprise.

Beneath the mistletoe the fairy lights will glow

and when it's time to say goodnight

Then all the stars

will spring a twinkle dust over every flake of white.

What a wonderful holiday with bells on every sleigh

and voices full of happy cheer. Bringing all and

health you'd ever wish yourself

on the 25th of the 12th this year.
