

## The scientist

EASY - NOBODY - HARD -  
START - ASK -  
LOVELY - NUMBERS - MEET -

LIVEWORKSHEETS

Come up to \_\_\_\_\_ you  
Tell you I'm sorry  
You don't know how \_\_\_\_\_ you are  
I had to find you  
Tell you I need you  
Tell you I set you apart  
Tell me your secrets  
And \_\_\_\_\_ me your questions  
Oh let's go back to the start  
Running in circles, coming up tails  
Heads on a science apart  
Nobody said it was easy  
It's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be this \_\_\_\_\_  
Oh take me back to the start  
I was just guessing at \_\_\_\_\_ and figures  
Pulling your puzzles apart  
Questions of science, science and progress  
Do not speak as loud as my heart  
Tell me you love me  
Come back and haunt me  
Oh and I rush to the \_\_\_\_\_  
Running in circles, chasing our tails  
Coming back as we are  
\_\_\_\_\_ said it was easy  
Oh it's such a shame for us to part  
Nobody said it was \_\_\_\_\_  
No one ever said it would be so hard  
I'm going back to the start

Cold play
