

Here's to the ones that we got

Cheers to theyou were here, but you're not

'Cause the bring back all the memories

Of everything we've been through

Colse to the ones here

Close to the ones that we lost on the

'Cause the dreams bring back all the memories

And the bring back, memories bring back you

There's a time that I, when I did not know no pain

When I believed in, and everything would stay the same

Now my heart feel like when somebody say your name

'Cause I can't reach out to call you, but I know I will one, yeah

Everybody hurts

Everybody hurts someday, ayy ayy

But will be alright

Go on raise your and say, ayy

Here's to the ones that we got
Cheers to the wish you were here, but you're not
'Cause the dreams bring back all the memories
Of everything we've been through
Close to the ones here today
Close to the ones that we lost on the way
'Cause the dreams bring back all the memories
And the memories bring back, memories bring back you
