English Department Prepared by/T. Eman Al qutob Ali

## Zanoobia Intermediate Girls 'school

| ALREADY - JUST - YET - EVER - NEVER with PRESENT PERFECT |
|----------------------------------------------------------|
| Select the correct option                                |
| 1. My sisters                                            |
| has traveled travelled yet have traveled.                |
|                                                          |
| 2. Have to France?                                       |
| you yet been you ever being                              |
|                                                          |
| 3. Have you the movie yet?                               |
| looked have seen seen                                    |
|                                                          |
| 4. Please wait. I haven't finished                       |
| just yet already                                         |
|                                                          |
| 5. I have gone to Italy.                                 |
| never ever yet                                           |
