Familia de los números

A diagram shaped like a house. The roof is a dark grey triangle containing a white circle with a dashed purple border and the number "30" in bold black text. To the left of the roof is a bright green square. A cartoon green iguana wearing a yellow and orange striped sombrero and a pink and yellow striped shirt is sitting on the edge of the roof. The main body of the house is a large green rectangle containing a 3x3 grid of nine squares, each with a dashed white border, intended for writing the number family members.
