

NAME: \_\_\_\_\_

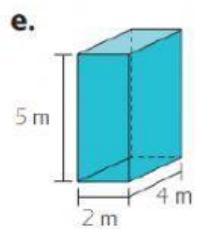

1. Calculate the volume ( $V$ ) of the figures.

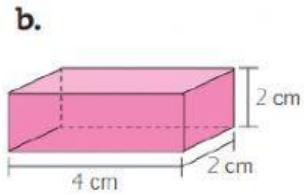

$$V = \underline{\hspace{2cm}}$$

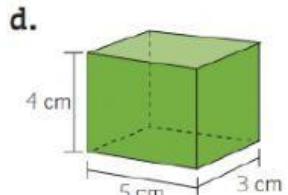

$$V = \underline{\hspace{2cm}}$$

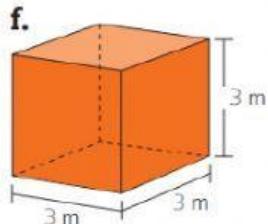

$$V = \underline{\hspace{2cm}}$$

$$V = \underline{\hspace{2cm}}$$

$$V = \underline{\hspace{2cm}}$$

$$V = \underline{\hspace{2cm}}$$

2. Solve the word problems.

a. How many cubic meters ( $m^3$ ) does a pool with the dimensions shown in the figure have? How many liters of water can it contain?
