HYPERREALISM

Watch the video. What does Stella Tennant tell about?

Watch the video again and fill the gaps.

1. Holland&Holland is a very traditional British _____. It roots in its DNA very much in the _____. It's about being protected from the weather and wearing clothes which will blend with the _____.
2. _____ and colour and form, they're all things that you think about when you're _____ clothes.
3. The modern British painters that we've been looking at here are all working _____ landscape.
4. The Peter Lanyon painting – there's incredible rich _____ of greys and greens, warms and cools.
5. When I look at the John Piper pictures, I feel the weather in them, feel the _____ of them, and I love that _____ of it.
6. What I love about that Hitchens is the richness of the colour and the layering of it. You know it's a _____, you don't recognize it, but you have a feeling of the _____, you have the feeling of the _____.
