

Paraphrase the sentences using USED TO/ BE USED TO/ GET USED TO

Example:

Peter, in the past, worked every day, but now he has retired. He's never had so much free time so he doesn't know what to do with it. But slowly he is becoming comfortable with it.

Peter **used to work** every day, but now he has retired. He **is not used to having** so much free time, but slowly he **is getting used to it**.

Do the same with the sentences below.

- 1. When I moved to Japan, I didn't know how to drive on the left side. Now I'm comfortable driving here.*
- 2. Some elderly people don't feel comfortable using mobile phones. My grandma is still learning.*
- 3. Michael doesn't know how to write emails, he usually writes letters by hand. His friends always get surprised when they receive a letter from him by post.*
- 4. Tina was nicer before. She often visited me at weekends, now she doesn't.*
- 5. It takes time to start feeling comfortable when you live with another person.*

Now answer the questions

- 1. What is something that you didn't use to like but now you do?*
- 2. What is something that took you a long time to get used to?*
- 3. What are you still not used to?*
- 4. What is something that you used to do that you wish you still did?*
- 5. What will you never get used to?*
