Dear Cindy,

My name is Kelly Harris. I am 12 years old and I am your biggest fan! I have five Cindy posters in my bedroom and a Cindy T-shirt. I also have all of your CDs.

5 My sister, Karen, gave me a CD player for my birthday. Every day after school, I listen to music on my CD player while I do my homework. Sometimes my mother comes into my bedroom. She goes to the CD player and turns down the music. But after she closes the door, I turn it up again.

10 My friend Jenny and I know the words to all of your songs. We really want to come to one of your concerts. When are you going to have a concert in Spring City? We want to be the first to buy tickets.

I am sending you a picture of Jenny and me playing our guitars and singing your songs. Can you send me a photo with your autograph? Please send one for Jenny, too.

15 Love,

Your biggest fan,

Kelly Harris
