Roll a Row

Present Simple, Present Continuous, Present Perfect, Past Simple, Past Continuous, to be going to (Future Simple)

To be the first player you should create a row of six boxes (four min) (vertically, horisontally or diagonally).

Directions: On your turn roll the dice. Look at the row for the number you rolled. Choose one of the available boxes in the row you would like to answer. To answer the box you should choose the correct tense (Present Simple, Present Continuous, Present Perfect, Past Simple, Past Continuous or Future Simple / to be going to). If you choose correctly, you can cross the box. If you make a mistake, you can't cross!!! The first player who crosses a line of 4 (better more) boxes is the winner.
