Places to go

Places to go, things to see,
Out and about, my mum and me.

Places to go, things to see,
Out and about, my mum and me.

Places to go, things to see,
Out and about, my mum and me.

Places to go, things to see,
Out and about, my mum and me.

We go to the shops, Or a supermarket.	We put our shopping Until it is dark.	We go to the park. And see some trains.	We go to the bank, We go to the airport, We go to the station
We see some planes. We go to the zoo		In a basket.
