

1. Arrastra cada unidad del relieve de España a su lugar correspondiente.

2. Identifica el río que corresponde a cada número.

A map of the Iberian Peninsula showing the major river networks of Spain. The map is color-coded with yellow for land and light blue for water. Fifteen specific locations are marked with numbers 1 through 15. The numbers are distributed across the country: 1 and 12 are in the northeast; 2, 3, 4, 5, 6, 7, 8, 9, 10, and 11 are in the central and northern regions; 13 is in the north; 14 is on the Atlantic coast; and 15 is on the Mediterranean coast.
